CERTIFICATE for CLOSING of the POLLS

We, the undersigned Election Officials certify that after the polls were closed, the voting tabulator was closed and secured against further voting in accordance with the closing procedures in Appendix D.

We further certify that seal number \text{XXXXXXXX} on the front of the tabulator had not been broken.

We further certify that the Moderator fed all remaining ballots that were eligible to be counted into the tabulator for processing. If absentee ballots were counted at the polls, the number of absentee ballots which could be and were tabulator processed in whole or in part was \text{_____________}.

We further certify that after all ballots that could be fed into the tabulator were processed, the number on the public counter (on the front of the tabulator) was \text{_____________}.

We further certify that the tabulator thereupon produced an "ELECTION RESULTS REPORT" setting forth: the town, voting district, election date and vote totals for each candidate and question on the ballot.

We further certify that any ballots which could not be processed by the tabulator and any ballots containing write-in votes were hand counted by two election officials from different parties.

Once all votes for each candidate and question have been counted either by tabulator or by hand all vote totals were recorded on the tally sheet and all final vote totals for each candidate and question were announced by the Moderator to all those present.

The ballot transfer case is sealed with a seal bearing the number \text{0011225572}.

The tabulator carrying case is sealed with a seal bearing the number \text{0011225571}.

CERTIFICATE for OPENING of the POLLS

Town North Canaan   Voting District 1   Primary Date August 12, 2014

We, the undersigned Election Officials certify that before the polls opened, the tabulator delivered to the polls bore a label for the voting district and town referenced above; and that we prepared the tabulator for voting in accordance with the opening procedures in Appendix D.

We further certify that we inspected the seal located on the front of the tabulator and found it to be unbroken and also found that said seal bore the number 82969 which is the same seal recorded on the "Report for Pre-Election Tabulator & Memory Card Testing".

We further certify, that before the polls opened the tabulating tabulator was turned on and produced a tape correctly stating the TOWN, STATE DATE, and VOTING DISTRICT; setting forth "BALLOTS CAST" total of "0000"; accurately setting forth all offices, accurately setting forth the name of each candidate; identifying each Question to appear on the ballot; accurately setting for a "WRITE-IN" line for each office group; accurately setting forth vote totals of "0000".

We further certify that the display on the front of the tabulator showed the voting district number and a count of "0".
